

Go Rural

SERVICE OFFERINGS

WHO WE ARE

GoRural partners with employers, candidates both domestic & international, universities, immigration attorneys, and recruiting firms to build sustainable teams and expand essential services.

We bring clarity, structure, and hands-on support to every step of rural workforce development.

International Recruitment & Navigation

A flexible, end-to-end process for bringing qualified international professionals to rural communities.

We can manage the full pathway or support only the pieces you need.

What we provide

Sourcing and screening
Immigration coordination (TN, H-1B, EB-3, etc.)
Licensing and credentialing
Housing, onboarding, and community integration

Support for all partners

Employers

support in building long-term workforce stability through clear, sustainable processes

Candidates

guidance through immigration, licensing, relocation, & community integration

Attorneys

connecting legal processes to work-ready logistics

Universities

structured, compliant pathways that help graduates transition into careers

Recruitment Firms

non-competitive partner bridging legal and logistical steps to get international professionals work-ready

Behavioral Health

A complete, rural-friendly behavioral health model built on hybrid staffing, integrated workflows, and sustainable operations.

What we provide

Hybrid onsite + telehealth staffing that brings consistent access to counseling and psychiatric support across rural communities

Workflow design and integration to align behavioral health services with primary care, nursing teams, and existing clinic operations

Billing logic and sustainable operations that ensure the program is financially viable and right-sized for rural volumes

Recruitment and onboarding of behavioral health professionals to support long-term stability and community-based care

Workforce Solutions

Clear, sustainable workforce systems tailored to rural realities, giving employers practical tools for role clarity, fair pay, and consistent onboarding and retention.

What we provide

Managing job postings in one place to ease the burden on HR

Creating or refining job descriptions to bring clarity to roles and structure

Building or updating wage matrices to ensure fair, defensible pay practices

Providing practical tools that support supervisors and frontline teams

Why Partners Choose GoRural

- Deep rural expertise
- Hands-on, start-to-finish support
- Flexible partnership models
- Mission-driven focus on community impact
- We're fun to work with 😊
