

# GORURAL PARTNERSHIP WITH COLLEGE ADVISORS

## Bridging the Gap Between Education and Employment

GoRural supports international students, employers, and advising teams by providing clear guidance and hands-on coordination through the work authorization and employment process.

### Student Support & Guidance

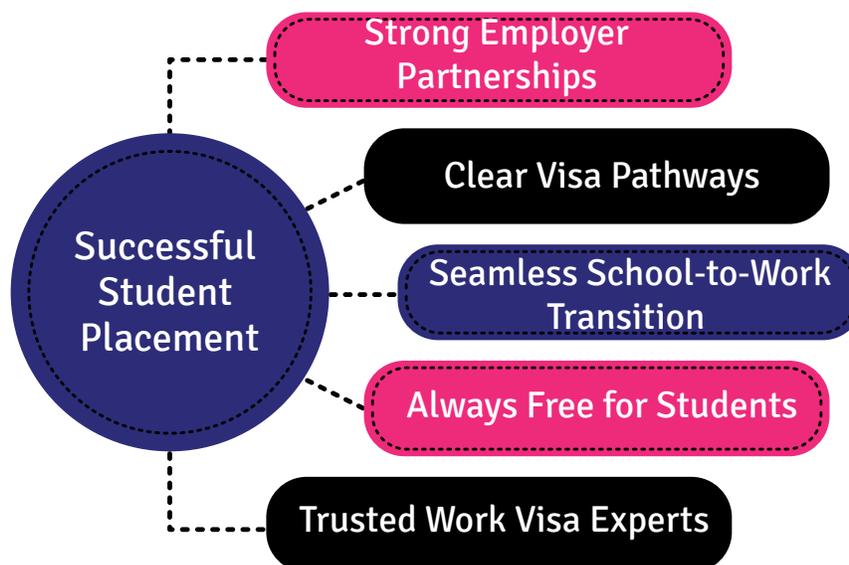

International students often receive confusing or incomplete information about OPT, CPT, sponsorship, and long-term visa options. We provide clear, accurate guidance so they understand their choices and **avoid costly mistakes**.

#### We help students:

- Navigate OPT/CPT timelines
- Plan for long-term sponsorship
- Prevent status lapses or missed deadlines
- Identify realistic visa pathways aligned with their goals

#### The Goal:

Confident, successful student placements with clear visa pathways for their continued journey in the U.S.

## **Employer Coordination & Education**

Many employers want to hire international graduates but don't understand their responsibilities.  
We bridge that gap.

### **We support employers by:**

- Explaining sponsorship requirements
  - Coordinating documents between school, student, & employer
  - Providing compliance-ready materials
- 

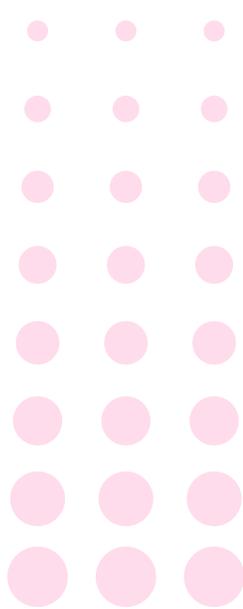

## **Support for Your Advising Team**

**We complement your office** — expanding your capacity without adding workload.

### **We help advisors by:**

- Staying current on immigration & work authorization changes
  - Providing accurate guidance to students
  - Connecting students with ethical, verified employers
  - Reducing last-minute confusion during graduation & hiring seasons
- 

## **Why Partner With GoRural?**

- We complement your advising team
  - We protect students with accurate, ethical guidance
  - We educate employers so students aren't navigating alone
  - We prevent costly mistakes & missed deadlines
  - We create smooth, confident transitions into the workforce
-
