

BEHAVIORAL HEALTH FOR RURAL COMMUNITIES

**BUILT BY PEOPLE WHO KNOW RURAL –
BECAUSE WE’VE LIVED IT**

Flexible Onsite + Hybrid Care: Licensed counselors and social workers deliver consistent in-person support, enhanced by tele-behavioral health to expand access and reduce wait times.

Psychiatric Support Built In (Onsite + Hybrid): Psychiatric evaluations, medication management, and provider consultation delivered through a mix of onsite presence and tele-psychiatry for maximum rural reach.

Integrated With Primary Care & Local Care Teams: Seamless collaboration with PCPs, clinics, nursing teams, and care coordinators - shared workflows, warm handoffs, and coordinated treatment planning.

Sustainable Financial Model: Clear, defensible proforma and billing structure tailored to Critical Access Hospitals and rural systems.

Community-Centered Approach: Keeps care local, reduces travel burdens, and strengthens long-term access to behavioral health services.
