

INTERNATIONAL NAVIGATOR PROGRAM

Already have an international candidate? We'll take it from here.

Hiring internationally is exciting - but the steps that follow can be overwhelming. Immigration, licensing, relocation, and compliance all come with deadlines and documentation that stretch even experienced HR teams.

GoRural's International Navigator Program manages the process for you. We coordinate with HR, legal partners, and the candidate to keep timelines on track, communication clear, and documentation organized. Whether you need full-service support or just a few steps, we make onboarding simple and predictable.
